第二十二届世界中医药大会

The 22nd World Congress of Chinese Medicine

The 17th International Academic Exchange Conference of Pediatrics of Chinese Medicine of WFCMS

NOTICE

The 17th International Academic Exchange Conference of Pediatrics of Chinese Medicine of WFCMS will be held in Sydney, Australia, from October 30th to November 1st, 2025. This academic annual conference will also serve as a sub-venue of the 22nd World Congress of Chinese Medicine. With theme of "TCM Pediatrics Serving the Health of Children Worldwide", the conference aims to provide a platform for academic exchanges, learning and exploration for TCM pediatrics professionals both domestically and internationally, thereby promoting the international dissemination and development of TCM pediatrics. The conference is organized by the Pediatrics Specialty Committee of WFCMS.

Topics for papers

1. Inheritance and Innovation of academic schools in TCM pediatrics
2. Clinical diagnosis and treatment of pediatric respiratory tract infection diseases
3. Diagnosis and treatment of pediatric allergic diseases
4. Current clinical application of pediatric spleen-stomach theory
5. Theory of children's constitution, health care and prevention of disease
6. International development of academic knowledge in TCM pediatrics
7. Introduction to the clinical application of non-pharmacological therapies in TCM pediatrics
8. Achievements in scientific research and teaching of TCM pediatrics

Agenda

October 30th	Registration in Sydney, Australia
October 31st	Academic conference
November 1st	Academic conference
November 2nd	Departure

第二十二届世界中医药大会
