

第二十二届世界中医药大会

The 22nd World Congress of Chinese Medicine

The 22nd World Congress of Chinese Medicine

NOTICE

Oct. 30 to Nov. 1, 2025 in Sydney

World Congress of Chinese Medicine (WCCM), hosted by **World Federation of Chinese Medicine Societies (WFCMS)**, is a global academic event in the field of traditional Chinese medicine. It is convened annually and has been successfully organized 21 times in China, France, Canada, Singapore, Macau China, Australia, The Netherlands, United Kingdom, Malaysia, USA, Russia, Spain, New Zealand, Thailand, Italy, Hungary and Hong Kong China, Brazil, Philippines and France respectively.

The 22nd WCCM will be held in Sydney, Australia from October 30th to November 1st, 2025. Multiple forms of academic investigation activities will be organized during the congress. Professors and experts of Chinese Medicine from all over the world will assemble together and share their knowledge and information about their theoretical research, clinical experience, scientific achievements, new inventions and creations. Exhibition of TCM Trade in Service will be displayed along with the congress.

In order to further understand the development of traditional Chinese medicine in Oceania and to promote international exchange and cooperation, it is planned to organize academic inspections of traditional Chinese medicine in Australia, Fiji, and New Zealand from October 30 to November 8, 2025.
